Mar Thoma College For Women, Perumbavoor (referred as First Party) and Energy Conservation Society (ECS) (referred as second party) signed a Memorandum of Understanding (MOU) as a part of Academics-industry interaction and for mutually beneficial promotional activities. The understanding is stated as follows.

During the contemplation of understanding both parties agree to work together and achieve the following objectives.

1. To contribute and enhance the ability of students to adapt to actual working environment and practical applications of knowledge gained.
2. To establish a close and continuous interaction between Mar Thoma College For Women, Perumbavoor and Energy Conservation Society (ECS) to discuss professional and practical issues related to the field of energy conservation.
3. To exchange technical ideas and deliver expert lectures in professional electrical engineering practices with the aim of promoting renewable energy sources.
4. To organize training camps and internships for students from B. Sc., B.Voc. and other courses.
5. To organize site/field visits for the students to promote interaction between students and field engineering community.
6. To organize extracurricular, co-curricular and related activities jointly for the benefit of students and for creating awareness of energy conservation.
7. To organize continuing education program by assessing the need of engineering industry with emphasis on energy conservation.
8. To organize seminars/workshops in mutually agreed areas for dissemination of knowledge amongst the students, professional community and society at large.
9. Both parties shall strive together and put their best efforts for successful implementation of the agreement

10. ECS shall provide necessary support and provide relevant technology whenever required by Mar Thoma College For Women, Perumbavoor for the interest of student community in the form of lectures/seminars related to the fields of energy management, conservation and energy auditing.
11. Mar Thoma College For Women, Perumbavoor shall constitute a unit of Energy Conservation Club in the college and shall nominate two faculty members to be responsible for forming and running the club.
12. A minimum number of two faculty members of Mar Thoma College For Women, Perumbavoor shall be members of Energy Conservation Society.
13. The cooperation and development of activities may be extended to other fields and subjects where Mar Thoma College For Women, Perumbavoor and ECS identify areas of interest.
14. Both the parties recognize that this memorandum of understanding establishes a foundation of mutual understanding and interest and does not entail any financial obligations for either party.
15. This agreement shall become valid upon signing by both sides, and will be in force from the date of signing, with the understanding that the agreement may be cancelled by either side effective not less than one month notice in writing is given by one of the parties to the other party.
