

**MAR THOMA COLLEGE FOR WOMEN**

Perumbavoor, Ernakulam, Kerala.

Affiliated to MG University & Accredited "B+" by NAAC

## TIME TABLE- UG FIRST INTERNAL EXAM - SEM-II, IV, VI 2021-22

### B.Sc. Chemistry

Date	Semester- Two		Date	Semester –Four		Semester-Six	
14.02.22	Issues that Matter	Sec. Language	13.12.21	Illuminations	Hindi/Malayalam	Inorganic Chemistry	Organic Chemistry IV
15.02.22	Theoretical and Inorganic Chemistry	Mechanics and Super Conductivity	14.12.21	Organic Chemistry II	Fourier Series, Laplace Transform and Complex Analysis	Physical Chemistry III	Physical Chemistry IV
16.02.22	Integral Calculus and Differential Calculus	Savouring the Classics	15.12.21	Optics and Solid State Physics		Polymer Chemistry	

### B.Sc. Physics

Date	Semester- Two		Date	Semester –Four		Semester-Six	
14.02.22	Issues that Matter	Sec. Language	13.12.21	Illuminations	Semiconductor Physics	Thermal and Statistical Physics	Relativity and Spectroscopy
15.02.22	Mechanics and Properties of Matter	Basics of Power Electronics	14.12.21	Linear Integrated Circuits	Fourier Series, Laplace Transform and	Nuclear Particle and Astrophysics	Solid State Physics

					Complex Analysis		
16.02.22	Integral Calculus and Differential Calculus	Power Electronics	15.12.21	Applications of Microprocessors		Material Science	

**B.Sc. Mathematics**

Date	Semester- Two		Date	Semester -Four		Semester-Six	
14.02.22	Issues that Matter	Sec. Language	13.12.21	Illuminations	Hindi/Malayalam	Real Analysis	Graph Theory and Metric Spaces
15.02.22	Analytical Geometry, Trigonometry and Differential Calculus	Probability Theory	14.12.21	Vector Calculus, Theory of Numbers and Laplace Transforms	Statistical Inference	Complex Analysis	Linear Algebra
16.02.22	Mechanics and Astrophysics	Savouring the Classics	15.12.21	Optics and Electricity		Operations Research	

**B.Sc. Zoology**

Date	Semester- Two		Date	Semester -Four		Semester-Six	
14.02.22	Issues that Matter	Sec. Language	13.12.21	Illuminations	Hindi/Malayalam	Developmental Biology	Microbiology and Immunology
15.02.22	The Invertebrates Diversity and Adaptations	Plant Physiology	14.12.21	Research Methodology	Anatomy and Applied Botany	Biotechnology, Bioinformatics and Molecular Biology	Occupational Zoology
16.02.22	Basic Organic Chemistry	Savouring the Classics	15.12.21	Advanced Bio-Organic Chemistry		Health Science and Nutrition	.

**B. Com. Finance and Taxation**

Date	Semester- Two		Date	Semester –Four		Semester-Six	
14.02.22	Issues that Matter	Sec. Language	13.12.21	Illuminations	Hindi/Malayalam	Management Accounting	Auditing and Assurance
15.02.22	Financial Accounting II	Business Regulatory Framework	14.12.21	Quantitative Techniques for Business II	Financial Service	Income Tax II	Advertisement and Sales Promotion
16.02.22	Business Management	Principles of Business Decision	15.12.21	Corporate Accounting II	Entrepreneurship Development and Project Management	Cost Accounting II	

**B. A. English**

Date	Semester- Two		Date	Semester -Four		Semester-Six	
14.02.22	Issues that Matter	Sec. Language	13.12.21	Illuminations	Modes of Fiction	Postcolonial Literatures	Women Writing
15.02.22	Introducing Language and Literature	English for Business Communication II	14.12.21	Language and Linguistics	Evolution of Literary Movements: Cross Currents of Change	American Literature	Modern World Literature
16.02.22			15.12.21	Office Procedures and Practices		Modern Malayalam Literature in Translation	

**B. Com. Computer Application**

Date	Semester- Two		Date	Semester –Four		Semester-Six	
14.02.22	Issues that Matter	Sec. Language	13.12.21	Illuminations	Information Technology for Office	Management Accounting	Auditing and Assurance
15.02.22	Business Management	Financial Accounting II	14.12.21	Quantitative Techniques for Business II	Financial Service	Software for Business and Research	Advertisement and Sales Promotion
16.02.22	Business Regulatory Framework	Principles of Business Decision	15.12.21	Corporate Accounting II	Entrepreneurship Development and Project Management	Cost Accounting II	

**B.A. History**

Date	Semester- Two		Date	Semester -Four		Semester-Six	
14.02.22	Issues that Matter	Malayalam/Hindi	13.12.21	Illuminations	Making of Modern Kerala	Making of Contemporary India	Understanding Modern World
15.02.22	Methods in Archaeology	Basic Economic Studies	14.12.21	Methods of Museology	Development of Numismatics in India	Capitalism and Colonialism	Gender in Indian Perspectives
16.02.22	Understanding Early India: From Hunting Gatherers to Land Grants		15.12.21	Researching the Past		Understanding Ancient Indian History through Archaeology.	

**B. Voc. Tourism and Hospitality Management**

Date	Semester- Two		Semester -Three	
8.02.22	Writing and Presentation Skills in English	Principles and Practices of Tourism	Foreign Language	Human Resource Management
9.02.22	Front Office Management	Housekeeping Operations	Tourism Marketing	Ecotourism
10.02.22	Meet and Greet Service		Hospitality Management	Food Production

### B.Voc. Renewable Energy Technology and Management

Date	Semester- Two	
8.02.22	Writing and Presentation Skills in English	Fundamental of Electrochemistry
9.02.22	Photovoltaic Module Installation	
10.02.22		

### B. Voc. Fashion Technology and Merchandising

Date	Semester- Two		Semester -Three	
8.02.22	Writing and Presentation Skills in English	Garment Equipment and Machinery	Principles of Management	Fashion Merchandising and Marketing

### Integrated M. Sc. Programme in Basic Science - Physics

Date	Semester- Two		Semester - Four	
8.02.22	SECOND LANGUAGE	Physical Optics	ENGLISH – II	Statistical Mechanics - I
9.02.22	Digital Electronics and Communication	Electrostatics and Magnetostatics	Electrodynamics & Plasma Physics	Mathematics - PAPER IV
10.02.22	Mathematics - PAPER II	Chemistry - PAPER II	Chemistry - PAPER IV
