The year 2018-19 was indeed a fruitful year for the College Union and Arts Club. The members are really grateful to the Principal, teachers, non-teaching staff and students for their immense guidance and support throughout the year.

CONCLUSION

We can claim our achievements only because of the blessings of the Lord Almighty. The ineffable contribution of our teaching, non- teaching staff and students are praiseworthy in this regard. Without their indubitable hard work nothing could be possible. We render our sincere gratitude to all those who vivified their assistance for this college and also to everyone who either implicitly or explicitly entailed upon the progress of this institution to achieve high academic, cultural and moral standards.
