CONCLUSION

It was with much delight that we acknowledge the humbling reality of the efficacy with which various Departments, Associations, Clubs and Units of our College have organised and conducted innumerable programmes and events exploiting all the possibilities offered in the virtual world during this Pandemic. However, the present time constraint does not permit me to go into the details of these achievements and success stories. Nevertheless, we would like to appreciate all the organisers of the innumerable activities whose efforts enriched the college life this year. It is truly commendable to note that we have conducted numerous webinars with academicians of national and international acclaim and civil servants of IAS-IFS cadre in addition to the innumerable competitions and camps. We take this opportunity to appreciate all the Heads of Departments and Staff-in-Charges for their perseverance and enthusiasm to innovatively adapt to the demands of the changing scenario in the curricular and extra-curricular realms.

The College is indebted to all its stakeholders. We would like to place on record our utmost gratitude to our former Patron His Grace Late Dr. Joseph Mar Thoma Metropolitan and present Patron His Grace Most Rev. Dr. Theodosius Mar Thoma Metropolitan who have been gracious enough to support us and guide us through their precious prayers, advice and love. We acknowledge with deepest gratitude the meritorious service that is being rendered by our beloved Manager His Lordship Rt. Rev. Dr. Euyakim Mar Coorilos Episcopa. We also extend my sincere thanks to Rev. George Abraham, General Secretary, MTEA, Adv. Philip Mathew, College Treasurer, members of the Governing Council, former Staff, Alumni, PTA, Teaching & Non-Teaching staff and students for their unconditional support, guidance and co-operation.
