The English Association in association with IQAC conducted a workshop on how to crack NET and preparatory steps that should be taken to tackle the exam while taking undergraduate programme itself. Ms. Maria John Paul was the resource person of the workshop. She is the alumna of the Dept. of English. Presently she works as Guest Lecturer, Sacred Heart College, Thevara.

UGC NET or NTA-UGC-NET is the examination for determining the eligibility for the post of assistant professor or Junior Research Fellowship award in Indian universities and colleges. The examination is conducted by the National Testing Agency on behalf of the University Grants Commission. The NET exam was introduced in the year of 1989. Widely regarded as one of the

hardest exams to clear, the winning percentage of the exam is just 6 per cent. Candidates who have secured at least 55% marks (without rounding off) in Master's Degree or equivalent examination from universities or institutions recognized by UGC in Humanities (including languages) and Social Science, Computer Science & Applications, Electronic Science etc. are eligible for this test.

The students who participated in the workshop were able to get a clear vision about the examination and were motivated to try and clear the test in the future. The resource person helped to clear the doubts of the students and acknowledged them about the right methods to prepare for the examinations.

CSIR-UGC NET/JRF COACHING IN MATHEMATICAL SCIENCES

Program (Name)	CSIR-UGC NET/JRF Coaching in Mathematical Sciences
Organizer	Post Graduate Department of Mathematics, Mar Thoma College for Women, Perumbavoor.
Associating Partner	IQAC, Mar Thoma College for Women, Perumbavoor.
Beneficiary	7 Students
Year	2021-22
Resource Person	Mr. Gopikrishna S. Nair Guest Lecturer, Department of Mathematics, Mar Thoma College for Women, Perumbavoor.
Coordinator	Dr. Gigi George, HoD, Department of Mathematics, Mar Thoma College for Women, Perumbavoor.
Duration	30 hours (3.30 pm-5.00 pm on working days and 9.30 am-3.30 pm on Saturdays)
Objective	<ul style="list-style-type: none">● To give students the necessary orientation on the CSIR-UGC NET/JRF exam. Hence to broaden and enrich the student knowledge base.● To change their fear to face a national level exam and give well systematic guidance for preparation of the exam.

Outcome	The coaching had developed confidence among the students to face the competitive examinations. It had also developed the students to familiarize with the concepts. The students were motivated to involve themselves in reading extra books and journals.
---------	--

The Department of Mathematics organized specialized coaching programs for postgraduate students to provide guidance for cracking NET while they appear for their post-graduation. This programme also aims to improve the teaching ability and confidence of students by allocating each of them with their comfort subject to teach among them. The Department of Mathematics had organized UGC CSIR NET/JRF Coaching for PG Students of the Department during the academic year 2021-22. There were 7 students from M.Sc. Mathematics for the coaching. Mr. Gopikrishna S Nair was the resource person. Duration of the coaching class was 30 hours (3.30 pm-5.00 pm on working days and 9.30 am-3.30 pm on Saturdays).

On the first day of the class, the resource person gave a brief introduction about CSIR NET exam pattern and discussed deeply on the syllabus for the NET exam and also created awareness about the career benefits after qualifying the examination. From next class onwards, topics were discussed as per the syllabus. The classes focused primarily on solving previous year CSIR-UGC NET/JRF (Mathematical Sciences) question papers and discussing the basic concepts involved behind solving the problem. The learning materials containing the core concepts in Linear Algebra, Real Analysis, Abstract Algebra, Complex Analysis and Differential Equations were given to the students and they were encouraged to solve the problems by properly identifying the concepts behind the problem. This coaching had achieved its objective and thus the participating students effectively continued their journey towards success. These classes motivated the students to prepare for competitive examinations and to clarify their doubts in connection with the exams.

CAREER GUIDANCE TRAINING

Program (Name)	Career Guidance Training on Job Oriented Skills (Online)
Organizer	Institution Innovation Council, Mar Thoma College for Women, Perumbavoor
Beneficiary	52 Students
Resource Person	Avodha Education, Ernakulam
Coordinator	Dr. Rajani Jacob, Asst. Professor, Department of Physics, Mar Thoma College for Women, Perumbavoor.
Duration	27-04-2022
Objective	To make aware of the career opportunities after undergraduate courses
Outcome	Students got an awareness of different career opportunities and higher studies options after graduation.

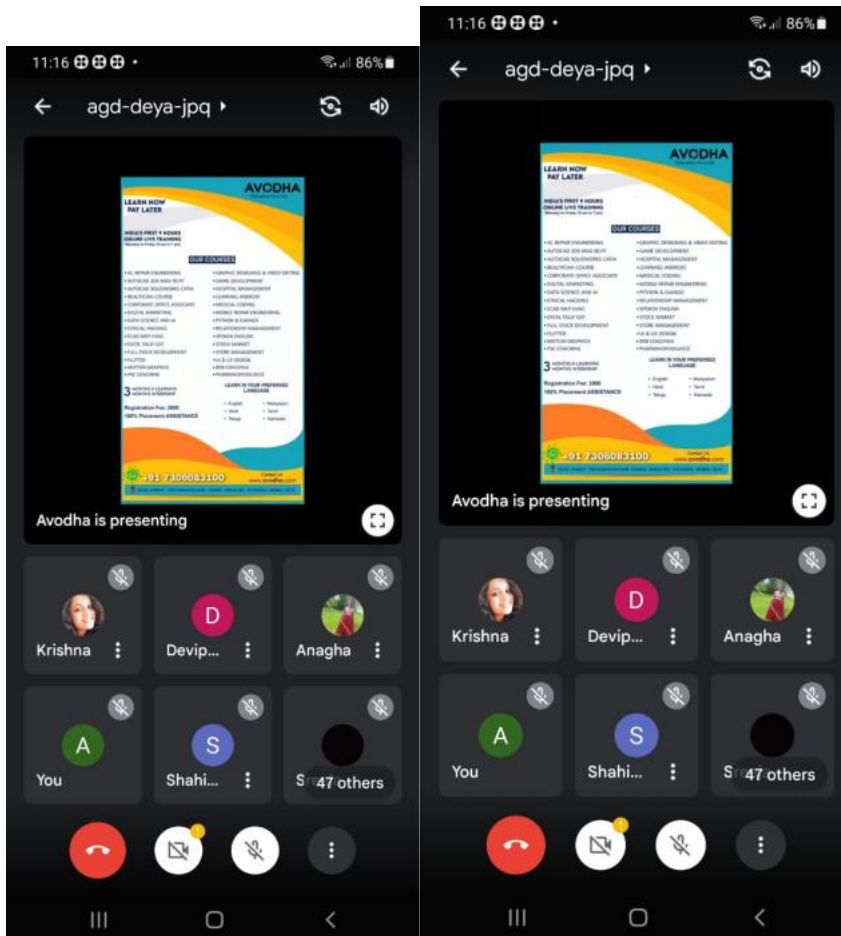

Institution Innovation Council Mar Thoma College for Women, conducted a webinar on job-oriented skills in association with Avodha on 27 April 2022 through Google Meet. 52 students attended the webinar and they asked their doubts regarding higher studies and job opportunities. The meeting duration was about 1.5 hours. The topics for the training were skills required for different jobs after graduation and interview skills. The session was very fruitful for the students to groom themselves for their dream career.

Webinar registration and feedback form link circulated among students.
