CRITERION 7

Institutional Values &
Best Practices

2017-2022

7.3.1 Institutional Distinctiveness

7.3. INSTITUTIONAL DISTINCTIVENESS

W.I.N.G.S. - Women Inspiring New Generations of Success

As enshrined in our vision, empowerment of women from rural and suburban society in all aspects is the distinctive feature of our institution. Since most of our students are from economically and socially backward circumstances, we support them to overcome their adversities and achieve their goals and transform them in to ideal individuals of the society.

Various curricular and co-curricular activities that ensure social, academic, economic, artistic, spiritual and emotional enhancement of the students were conducted by our institution through clubs, cells and associations to achieve the goal of women empowerment.

Evidence of Success

- Our students achieved seminal success in the academic arena by securing ranks and grade positions in the University level and progressed into various state, national and international institutions and Universities.
- Majority of students who secured ranks in the University level comes from the socially marginalized sections of society and the same has been duly acknowledged by the policy makers, Chief Minister of the State, academicians and common people of the region.
- One of the major examples of our institutional distinctiveness comes from **Ms. Payal Kumari**, daughter of a migrant laborer, secured first rank in B.A. History and Archaeology Mahatma Gandhi University examinations in 2020, first time in the educational history of the state.
- Apart from the curricular aspects our students participated in the national level competitions in cycling, women cricket and basket ball. Four of our students represented the Mahatma Gandhi University in south zone inter-university women cricket team and became the champions.
- Successful entrepreneurs in various domains.
- Vibrant NCC unit and several awards for NCC Cadets in national and state level Sainik Camps.
- Prizes and grades in M.G. University youth festival.

Migrant worker's daughter wins first rank in MGU exam
 Labourer father ensured her education despite heavy odds

G. KRISHNAKUMAR
 KOCHI

The name Payal Kumari stood out when Mahatma Gandhi University released the list of toppers in the various undergraduate programmes on Thursday.

Born into a migrant worker family from Bihar, Payal stunned many after she came first in the BA Archaeology and History (Model 2) examination as a student of Mar Thoma College for Women, Perumbavoor. Pramod Kumar, her father, who had left Gosaimadhi village in Sheikhpura district of Bihar in 2001, has been settled in Ernakulam since 2011 as a manual labourer.

"This rank belongs to my father, who worked hard despite odds to see that my education was never disrupted. I am also thankful to my teachers, especially Bipin Sir of the History department for helping me sail through all challenges," an elated Payal said in flawless Malayalam on Thursday.

Payal Kumari

Pramod Kumar, who had to drop out of school after Class 8, made sure that his children received proper education. He is now employed at a paint shop in the city. Their rented home at Kangarappady houses Payal's mother Bindu Devi, a homemaker, and siblings Akash Kumar and Pallavi Kumari.

She had scored 83% marks in Class X and 95% in Plus Two as a student of Government Higher Secondary School, Edappally. Payal said that she would like to take up a postgraduate programme in Archaeology and History. "I have also plans to pursue Civil Services," she said.
