

Aesthetic Expressions Club Annual Report for the Academic Year 2024-2025

The Aesthetic Expressions Club commenced its activities for the academic year 2024-2025 on January 20, 2025. The club's aim is to foster creativity, self-expression, and artistic skills in students through a diverse range of activities in art, music, dance, photography, and other creative domains. Throughout this academic year, the club has provided a platform for students to explore their passions and hone their skills, culminating in a variety of events and sessions.

Activity Schedule & Sessions

The club held activities over the following dates:

- January 23-24, 2025
- February 4, 7, 18, 20, 25, 27, 2025
