

ACTIVITIES CONDUCTED BY THE DEPARTMENT OF FASHION TECHNOLOGY AND MERCHANDISING DURING THE YEAR 2024-2025

World Environment Day

As part of the June 5th World Environment Day, we conducted an embroidery cards and hoop art workshop with an environment-themed focus under the guidance of Miss Sreekutty R. We made the cards and hoop art ourselves and gave them as gifts to the principal and teaching staff.

Workshop on Brooch Making

On July 24th, we, the second-year students of B. Voc Fashion Technology and Merchandising, conducted a workshop on brooch making under the guidance of Miss Sreekutty R. We learned how to make brooches and amazing embroidery techniques. We distributed them to the principal and teaching staff.

Association Inauguration

Both the department of B. voc Fashion Technology and Merchandising and B. voc tourism as a unit did association inauguration on 6th of November. The facilities and principal talked about our achievements and how to bring more to the department.

Food Fest and Exhibition

On October 30th, the department of Fashion Technology and Merchandising conducted Food Fest and Exhibition to showcase the talents of students. We exhibit handmade accessories, clothes and food on this exhibition.

Fresher's Day

On November 15th, department of Fashion Technology and Merchandising conducted a fresher's party to welcome the freshers.

Christmas Day Celebration

The Departments of B.Voc Fashion Technology and Merchandising, and B.Voc Tourism, jointly organized a visit to the home of senior citizens near the college on December 19.
